Summary

Computer Science student at Tallinn University with diverse work experience and a strong interest in IT. I am seeking an entry-level/junior position as a programmer, developer, or IT specialist that allows me to balance part-time work with my studies.

I have foundational skills in Python, C, C++, Java, JavaScript, React, Next.js, and Supabase, and I am eager to expand my expertise through practical experience. My previous roles have strengthened my adaptability, teamwork, and problem-solving skills.
